ABOUT CAIRO TEXTILE MACHINERY

Cairo Textile Machinery Fair will be held from 3-5 of October 2024, in Cairo International Convention Centre with the support of the Ministry of Trade & Industry, Ministry of Supply and Internal Trade of Egypt, Textile Machinery and Accessories Industry Association from Turkey.

This platform allowed national and international companies from different sectors to show and promote their skills, innovations, meet partners and find international brands from several countries. Thus, "CairoTextile Machinery" contributed to the consolidation of the Egyptian expertise in this area.

The exhibition is going to take place concurrently with the Cairo Fashiontex exhibition, with the participation of more than 400 exhibitors so every visitor will pass through the textile Machinery Section. . In Egypt, the Textile Machinery sector is growing fast and many new technologies will be revealed at the fair, in turn every participants in the Textile Machinery section will get benefit from their participation.
